John E. Childe  
Attorney for Petitioner  
1847 Center Street  
Camp Hill, Pa 17011

Dear Mr. Childe:

I may be misinformed but I thought the duties and authority of the PA Game and Fish Commission were granted by the PA Legislature. If this is the case it would seem to me, as a non-lawyer, that the same legislature could put further demands on the two bodies as has been the case over the years. I do believe the Legislature has the ability to combine the agencies as is the case in all other states, or combine them in DCNR, and/or completely abolish them.

Sincerely,

A handwritten signature in black ink that reads "Robert Godshall".
